

DOWNTOWN PAIN PHYSICIANS OF BROOKLYN

ABOUT US

Downtown Pain Physicians is a modern, dynamic Spine & Pain Practice with locations in Manhattan and Brooklyn. The essence of our practice is focused on individualized patient care. We are obsessed about empathetic, efficient and convenient patient experience. Our facilities are state-of-the-art with the ability to provide cutting edge treatments. Our pain management physicians are board certified, awardwinning and highly reviewed experts in their field.

Dr. Raj Raval is an expert Spine Specialist with a focus on healing various spine and joint conditions using the latest minimally invasive techniques. He is highly regarded among his peers, highly reviewed by his patients, and teaches other physicians in the field. He is an expert diagnostician. At Downtown Pain Physicians, our board-certified pain management specialists provide a full range of various pain relief treatments for patients suffering from acute and chronic pain. A team of interventional pain management doctors, anesthesiologists, and pain medicine physicians are working together to provide you with the necessary pain relief. Our doctors are trained in the most prestigious universities, including Yale University, Columbia University, and are known as the region's best pain management doctors. For patients in pain requiring treatment, Downtown Pain Physicians offers multiple convenient locations in Downtown Brooklyn and Lower Manhattan.
