

Indigo Specialty Products

Providing Comprehensive Business Services in Technology

Indigo Specialty Products is a leading provider of specialty agricultural products, catering to a wide range of markets including Techforce, Proforce, Hydroforce, Bioforce, Nutriforce, Pest control, Herbicides, Insecticides, Weed

Control, Fungicides, Lawns, Sportsturf, Aquatics, and Agriculture.

Our business offers a comprehensive range of high-quality products, which are designed to meet the specific needs of our customers. Our team of experienced professionals works closely with our clients to understand their unique requirements and recommend the most suitable products to achieve their goals.

Our Techforce products are designed for use in the technology industry, and are ideal for semiconductor, microelectronics, and photonics applications. We offer a range of specialty cleaners, solvents, and surface treatment products to meet the exacting standards of these industries.

Our Proforce products are specifically designed for professional landscape and turf care applications. We offer a range of herbicides, insecticides, and fungicides that are highly effective in controlling weeds, insects, and diseases, while being safe for use around people, pets, and the environment.

Our Hydroforce products are designed for use in hydroponic and greenhouse applications. We offer a range of nutrients, supplements, and plant growth regulators

that are specifically formulated for hydroponic and soilless growing systems.

Our Bioforce products are designed to provide environmentally friendly solutions to common agricultural problems. We offer a range of biopesticides, biofertilizers, and biostimulants that are highly effective in controlling pests and diseases while being safe for use around people, pets, and the environment.

Our Nutriforce products are designed to provide essential nutrients and minerals to plants for optimal growth and health. We offer a range of liquid and granular fertilizers that are highly effective in improving plant performance and yield.

Our Pest control products are designed to provide effective solutions for controlling common pests, such as ants, roaches, and spiders. We offer a range of insecticides, baits, and traps that are highly effective in controlling pests while being safe for use around people, pets, and the environment.

Our Herbicides products are designed to provide effective solutions for controlling unwanted weeds. We offer a range of herbicides that are highly effective in controlling weeds while being safe for use around people, pets, and the environment.

Our Weed Control products are designed to provide effective solutions for controlling unwanted weeds in a range of applications, including lawns, sportsturf, and aquatics. We offer a range of weed control products that are highly effective in controlling weeds while being safe for use around people, pets, and the environment.

Our Fungicides products are designed to provide effective solutions for controlling common plant diseases, such as powdery mildew, blight, and rust. We offer a range of fungicides that are highly effective in controlling diseases while being safe for use around people, pets, and the environment.

Our Lawns products are designed to provide effective solutions for maintaining healthy and attractive lawns. We offer a range of products, including fertilizers, weed control, and pest control products that are highly

effective in promoting healthy growth and controlling pests and weeds.

Our Sportsturf products are designed to provide effective solutions for maintaining healthy and attractive sportsturf surfaces. We offer a range of products, including fertilizers, weed control, and pest control products that are highly effective in promoting healthy growth and controlling pests and weeds.

Our Aquatics products are designed to provide effective solutions for maintaining healthy and attractive aquatic environments. We offer a range of products, including algae control, weed control, and pest control products that are highly effective in promoting healthy growth and controlling pests and weeds.

Overall, Indigo Specialty Products is committed to providing our customers with high-quality products and exceptional customer service.
