I am 9 months status post FUE with Dr. Linkov. I cannot overemphasize how happy I am with the results. Above and beyond my expectations! My hair looks great, the hairline is so well done and natural looking, the density is just right... and I very frequently get compliments! If you are looking for hair restoration and you are considering Dr. Linkov's team, do not hesitate. Dr. Linkov and his team are AMAZING!!!

This IS the place to go for hair transplants in NYC. Dr. Linkov and Nurse Gloria ensured I was comfortable every step of the way, took time to explain to me what to expect, and were incredibly supportive along the way. They are true professionals, and my hair looks fantastic. Thanks for making my dream come true.
