ABOUT US

Award-Winning Neurosurgery & Spine Care in New Jersey and Eastern Pennsylvania. Experience life-changing relief from brain, spine, and joint injuries with our top-rated neurosurgeons and sports medicine specialists. Customized to your unique needs, our expert team will guide you towards a rapid recovery and a pain-free life.

Proudly serving patients in NJ and PA for nearly 20 years, our practices are home to award-winning, patient-focused doctors. Beginning with a precise diagnosis, we focus on educating patients at every stage of treatment, providing the industry's most advanced treatment technology, and a range of conservative and surgical options.

Our multi-disciplinary team of board-certified doctors has undergone extensive training in their respective areas, providing highly specialized treatments and customized therapies delivered with compassion.

Princeton Brain, Spine, & Sports Medicine accepts most major insurance plans. Call us today to schedule a consultation or learn more about our outstanding practice.
