

**Raja Muhammad Ali**

WordPress Developer

## About Raja

### You're in good hands

I'm an award-winning web developer, trusted by large brands to craft exceptional websites. With a focus on website design, I specialize in building bespoke solutions that deliver impactful results.

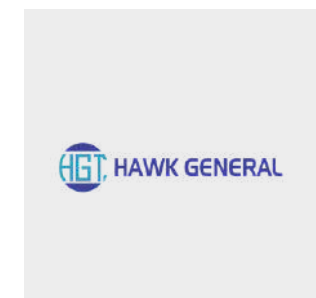

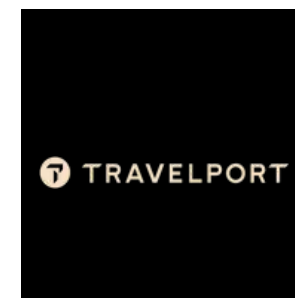

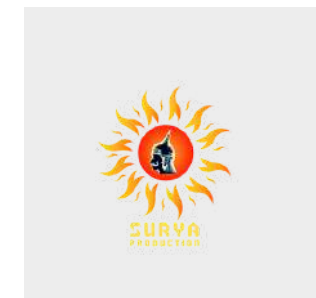

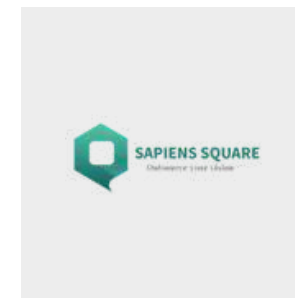

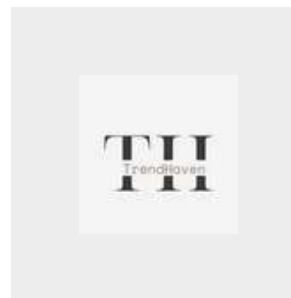

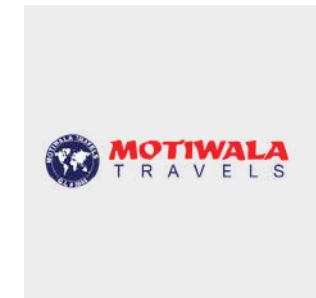

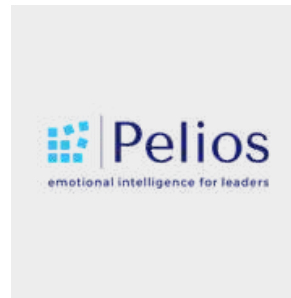

I'm dedicated to providing tailored web development solutions that exceed expectations and propel brands forward in the digital landscape.

*"I am so impressed, the work and communication throughout was excellent, Would highly recommend it and will be using again soon."*

## Surya Production

I'm available from 9 AM to 9 PM, Monday to Friday. Feel free to drop me an email at [info@rajamuhammadali.com](mailto:info@rajamuhammadali.com) and I'll respond as soon as possible. If it's urgent, you can also reach me by phone at +92 331 2493652.

## Raja Muhammad Ali

Hi there! I'm Raja Muhammad Ali, a seasoned WordPress developer with over 4 years of hands-on experience. I've dedicated myself to crafting top-notch websites that not only look stunning but also function flawlessly.

With years of experience under my belt, I bring a wealth of expertise to every project. I understand that each project is unique, and I tailor my services to meet your specific requirements.

You can count on me to deliver high-quality work within agreed timelines, every time. Your satisfaction is my priority, and I strive to exceed your expectations with every project.

### Services offered:

- **Figma/XD to WordPress:** Transforming your design visions into fully functional WordPress websites.
- **Landing Page Design:** Captivating and conversion-focused landing pages tailored to your needs.
- **Website Migration:** Seamlessly transfer your website to a new hosting provider or domain without any hassle.
- **Third-Party Tool Integration:** Integrate essential tools and plugins to enhance your website's functionality.
- **Speed & Performance Optimization:** Lightning-fast websites optimized for superior user experience and search engine rankings.
- **Security:** Fortify your website with robust security measures to safeguard against potential threats.
- **Mobile-Friendly Design:** Responsive designs ensuring optimal viewing experiences across all devices.
- **E-commerce with WooCommerce:** Unlock the potential of your online store with powerful WooCommerce solutions.
- **SEO Migration:** Ensuring the new design maintains or improves upon existing search engine rankings.
- **Customisable Elements:** Some elements can be hidden or adjusted specifically for mobile viewing.
